Terrebonne Domestic Water District

Public Board Meeting
September 14th, 2021

Note: Due to the current state lock down this meeting was conducted via Zoom for all board members and the public.

The Regular Public Board Meeting was **called to order** at 6:37 pm on September 14th, with 4 directors present- Eric Fisher, Tim Histon, Art Tassie and Jim Wilhem, Also present was District Manager Dan Bruce, and one member of the public, Bob Nuepert.

Empty Board Seat: It had been brought to the boards attention that Bob Nuepert was interested in the empty board seat #5. Eric asked Bob to give the board a brief review of his history and to know why he would like to be on the board. Bob noted that he has done other board type work and that he felt he could be of some help to the water board. Bob said that he does not bring an agenda to the position and he feels that the district has been doing a good job over the last few years. Jim made a motion that the board appoint Bob Neupert to fill Position #5 on the Terrebonne Domestic Water Board of Commissioners, second by Art. II in favor, motion passed.

At this point Tim informed the board members that he will no longer be able to serve on the board. Tim's resignation would be effective immediately this day September 14th, 2021. Tim was asked to forward a resignation letter to the district office and exited the meeting.

Eric noted that due to some changes in his schooling he will be able to remain on the board for another year. Eric asked that the remaining members of the board make every effort to find a replacement for Tim.

Agenda: Eric presented the agenda to the board (see agenda).

Minutes: Minutes for the August public board meeting were reviewed by the board. (see minutes). Jim made a motion that the board accept the minutes as presented, seconded by Bob. All in favor, motion passed.

Treasurer's Report: The current financial report was reviewed by the board, (see report). Art made a motion that the board accept the financial report and the checks as presented, seconded by Jim All in favor, motion passed.

Chairman's Report: Chairman has nothing to report at this time.

District Manager's Report: Dan presented his report to the board. (see report) Dan requested that the board have another check signer as we are down to two signers. Jim made a motion that the board have Bob Neupert become a registered check signer, second by Art. All in favor motion passed.

Dan noted that he has not been able to get back any quotes on the 1st Street project as most of the builders are very busy. He will keep the board informed of this effort.

Jim asked if there is any word on when our audits will be done. At this point there is no word although our accountant seems to have been working with the auditor. Dan has contacted the auditors and has not heard back from them. At this point there is nothing we can do.

Business Discussed: Employee Hiring: Dan noted that he had asked several other districts and entities how they did hiring and how their boards were injected into the process. All the information he was able to get shows that the managers did the hiring then presented their choice to the board for final approval. Eric felt to add to this process we need some policies concerning probation, employee reviews and other areas of handling employees. Dan was asked to reach out to SDAO for information on employee handbooks we could use.(27) Eric also suggested that we set up pay scales for our employees.

Retirement Plan: Dan presented an alternative retirement plan that we may be able to use for our employees. The SEP program has many of the tax advantages of a 401K without the large fees that are normally associated with a 401K. As one of the rules of a SEP is that all employees participate we will look closer at this program when Dave leaves our employ.

Project List Update: Dan presented the board with an updated project for the district. (see project list). Art questioned the large projection for the 1st street project and Dan replied that he projected on the high side for the projects because the cost of supplies is not steady.

LID Report: Dan noted that we would be reviewing our LID project next month and starting the process to move it forward.

Covid-19: There have been no changes in our COVID protocol at this time:

Next Regular Board Meeting: October 12th, 2021 @ 6:30pm @ Terrebonne Fire Station or via Zoom if needed.

Meeting Adjourned: 7:32 pm

Terrebonne Domestic Water District

10-12-2021

- Bobs Job's has completed the backflow testing. I was told by randy that they are putting the business up for sale. At this time I don't know if we will have to go back out to bid for backflow testing next year... time will tell.
- I have been looking at trucks lately as it is reported that the chip shortage for the new vehicles could go on another year. Prices are climbing again. The question is do we wait or try to find something before the older truck gives up and roll the dice on prices at that time?
